

API SCHOLARSHIP INFORMATION

Academic Programs International (API) awards approximately \$250,000 in scholarship money annually, ranging from \$250 - \$1000 per student. You may request a scholarship application by contacting the API office at 1-800-844-4124 or www.academicintl.com. In addition to the API Scholarship Application, we have assembled for your convenience a list of outside resources that you may pursue to help you finance your study abroad experience. Of course, we also recommend that you check with your school's study abroad office and/or financial aid office in addition to the resources listed below.
